Officer-in-Charge, Regional Director
DICT Regional Office VIII
A. Mabini St., Port Area
Tacloban City

Dear Director Barroa:

Good day!

I hope this message finds you well.

I am John Josol, a student from the Philippine Science High School - Eastern Visayas Campus. My research team has recently conducted a study entitled “*Danas ng Matatanda sa Paggamit ng Social Media*”, which focuses on the experiences of individuals aged 50 and above in using social media.

Based on our findings, we observed the need for proper guidance on the use of social media among older adults. In line with this and on behalf of my group, I would like to respectfully inquire if your agency could provide a speaker who could lead a seminar on this topic and help educate our participants.

We believe that DICT's expertise would provide great value to our participants, and we would be deeply honored by your support.

We would greatly appreciate your response at your earliest convenience. The details for the seminar are specified as follows:

What: Seminar on Digital Citizenship and Social Media Literacy for Older Adults

When: May 2, 2025, 9:00 AM - 12:00 PM

Where: Brgy. 43-B Quarry Gymnasium, Tacloban City (behind EVSU)
